Questions 1 and 7, p. 760

#1 The image of death that is created in Emily Dickinson's poem, "Because I Could Not Stop for Death," contains several elements. First, she is not ready for death (explain). Second, she passes by (what?) on her way to eternity. Finally, . . .

The image I will take from this poem is . . .

#7 Emily Dickinson's observations about nature, hope, success and death have affected my feelings about the topics. First, nature Second, hope Third, success . . .

Finally, death . . .

(Explain her observations in one sentence for each.

Then you can indicate if they affected you or not.)
